2. Facebook accounts must be original. Fake, dead, inactive and bot accounts will not be accepted.
3. You must be an active and regular Facebook user, and must be sharing and «Liking» OASIS's official posts and ads.
4. Account, as well as all shared posts should be publicly available.

5. Participation with multiple accounts is not allowed. Participants using multiaccounts will be disqualified and blacklisted from all current and future campaigns.

Translation and moderation campaign - 5%

Earn tokens as a reward for translating the OASIS announcement theme, moderating it and keeping the theme up to date by posting updates, news or any important announcements to the local forum section.

Budget and payments:
5% of the total amount of allocated tokens will be distributed among the translation and moderation campaign participants / local community management.

Announcement theme translation: 100 stakes.
Website translation: 100 stakes.
Terms of the OASIS Bounty campaign theme translation: 100 stakes.
Whitepaper translation: 400 stakes.
Moderation/management: 5 stakes per each accepted post.
Create a Telegram local channel to discuss the OASIS project in your language: 1 stake for each participant at the moment of the campaign end.

How to join:
To reserve a language, please email us info@oasis.ac
After the translation complete, send us the links using the following form:
https://goo.gl/forms/BrEe4aJNJ79XuKVy2

Terms and Rules:
1. The translation must be literary. If you use Google translate, automated translators, and other similar tools, your application will be rejected.
2. When calculating shares for moderation only participant's messages will be taken into account. The participant should be active, if you are not active, another moderator can be involved in theme updating and moderation.
3. Do not leave unnecessary messages to earn more stakes, this will result in messages not being counted. Increasing the number of messages by posting useless messages is prohibited, these messages will not be counted.
4. Inactive and dead topics are useless for the project and will not be accepted. We expect that the announcement translators will be responsible for moderation of their themes and will keep them active through regular translation of official announcements, news and updates. If the translator has only created a theme and does not pay attention to it, does not update the information, he will be disqualified.
